

Engineering LEAP

E-LEAP

- ◇ E-LEAP fulfills three graduation requirements with two classes. These requirements are Social & Behavioral Science, Humanities and Diversity.
- ◇ E-LEAP courses provide opportunities to be with one professor and the same classmates for an entire year.
- ◇ E-LEAP courses focus on the ethical standards of engineers in national and global settings in the fall class and on how concepts of community have developed and been implemented in the American experience in the spring semester.
- ◇ **Engineering majors that require taking E-LEAP:**
 - Civil and Environmental Engineering
 - Computer Engineering
 - Electrical Engineering
 - Materials Science and Engineering
 - Mining Engineering majors are required to take E-LEAP for both semesters

All other engineering majors highly recommend this class. Please check with your Advisor.

E-LEAP Classes also provide:

Team Building
Presentation Skills
Library Research Strategies
Connections to the Honors Program

E LEAP Faculty

Meg Harper, PhD.
m.harper@leap.utah.edu
801 581-4581

Rebecca Larsen, PhD.
r.larsen@leap.utah.edu
801 585-9922

Jennifer Seagrave, PhD.
j.seagrave@leap.utah.edu
801 587-2999

Seetha Veeraghanta, PhD.
s.veeraghanta@utah.edu
801 585-1612
LEAD Faculty for E-LEAP
