

When do we meet during the school year?

You'll be split into two groups for meetings, which happen on Tuesdays at 12:15 in the large conference room of the Sill Center. The complete schedule is below. **Please note that these meetings are mandatory.** Program the schedule into your phone. The meetings will be used to share announcements, give peer support for problems you may encounter, plan activities, share information from outside speakers to enhance our understanding of the role of peer mentoring, etc. **Do not schedule a class at the same time as these meetings. Remember that this is a job for which you get paid.** The meetings are required for that job.

The meeting schedule for the year is:

Team Light Side

Mel

August 23
August 30
September 6
September 13
September 27
